EDUCATION

2024 - 2028
UVA WELLASSA UNIVERSITY

- BSc (Hons) in Computer Science and Technology
- Currently in 2nd Year

2020-2022
R/GANKANDA CENTRAL COLLEGE

- G.C.E. Advanced Level — [Stream, Physical Science]

SKILLS

- Project Management
- Public Relations
- Teamwork
- Time Management
- Leadership(Executive Committee Member on the Public Visibility committee of the IEEE Computer Society Student Branch)
- Effective Communication
- Critical Thinking

LANGUAGES

- English
- Sinhala

PROFILE

Motivated second-year Computer Science undergraduate at Uva Wellassa University with a strong foundation in Java, SQL, Database Management, C, and PHP. Passionate about building practical solutions through hands-on projects and eager to apply my skills in a real-world software engineering internship. Quick learner, team player, and committed to writing clean, efficient code.

WORK EXPERIENCE

LK Agro Market — Group Project

- Collaborating on a web-based agricultural marketplace connecting farmers and buyers directly, featuring crop pre-order reservations, verified farmer registration, and a complaint resolution system
- Contributing to development using React (frontend), PHP (backend), and MySQL (database), following the Waterfall methodology
- Involved in requirement analysis, UML/database design, and implementation phases
- Technologies: React, PHP, MySQL, Git/GitHub, Figma

Laptop Price Predictor — Personal Project

- Built a machine learning model using Python and Random Forest to predict laptop prices based on features
- Applied data preprocessing and feature engineering techniques, and built a simple web interface (HTML/CSS) for predictions
- Technologies: Python, Jupyter Notebook, HTML, CSS

Money Map - Personal Finance Planner — Personal Project

- Built a C-based personal finance planner supporting account login, weekly budgeting, expense tracking, and savings recommendations
- Enabled customizable daily spending limits to improve financial awareness for university students
- Technologies: C
